Hello Ellen :

Please join us for this month's LAPD Central Division Community Police Advisory Board meeting this Thursday, May 19 @ 10:00 a.m.

I've been involved now for a year and I'm very pleased at how the relationship between DTLA and the LAPD is progressing. Your attendance would greatly enhance the sense of community we are building together.

We have a new Captain, his name is Howard Leslie and I'm excited to see his vision unfold for Central Division. Immediately we have an increase in footbeats which will help us all feel safer and more connected.

Please RSVP directly to Officer Elizabeth Ortega at 36899@lapd.lacity.org. This month we will meet at: LA Plaza United Methodist Church (El Pueblo De Los Angeles, Olvera Street), 115 Paseo de La Plaza, Los Angeles, CA. 90012, (213) 628-5773.

I'm very much looking forward to seeing you again.

Highest Regards,
Deborah
